

ASIC 2022 Preliminary Schedule

Tuesday, May 10, 2022

Start Time	Lobby	Room B	Room C	Room D
2:00 PM	Registration Opens	No Program	No Program	No Program
4:00 PM	Registration Open	Training Begins	Training Begins	Training Begins
6:00 PM	Registration Closes	Training Concludes	Training Concludes	Training Concludes

Wednesday, May 11, 2022

Start Time	Room A	Room B	Room C	Room D
7:00 AM	No Program	No Program	No Program	No Program
8:00 AM	Conference Welcome			
8:15 AM	Plenary: Low Cost Air Quality Sensor Challenges and Hopes			
9:30 AM	Break with Exhibitors			
10:15 AM	Air Sensor Use in India	Merging sensor data with other air pollution data sources: methods and benefits	Sensor Networks: From nuts and bolts to real-world impacts	Community Air Sensor Use
12:35 PM	Lunch on own (Exhibit Hall Closed)			
1:30 PM	View Exhibits (Exhibit Hall Open)			
2:00 PM	CAMS-Net	Swimming in data: The current and future state of data management platforms	Sensor Networks: From nuts and bolts to real-world impacts	Community Air Sensor Use
4:20 PM	Break with Exhibitors			
4:50 PM	Lightning Poster Talks	No Program	No Program	No Program
5:50 PM	Welcome Reception / Poster & Exhibit View	No Program	No Program	No Program
7:00 PM		No Program	No Program	No Program

Thursday, May 12, 2022

Start Time	Room A	Room B	Room C	Room D
7:00 AM	No Program	No Program	No Program	No Program
8:00 AM	No Program	No Program	No Program	No Program
8:00 AM	CAMS-Net	Virtual Poster Displays & Exhibits		
10:20 AM	Return to Conference Center			
10:50 AM	Plenary: Personalizing Exposure and Advancing Precision Environmental Health Using Air Sensors			
12:05 PM	Lunch on own (Exhibit Hall Closed) (Sensor Walk?)			
1:05 PM	View Exhibits (Exhibit Hall Open)			
1:35 PM	CAMS-Net	The Potential of Air Sensors for Personalizing and Advancing Human Health Research	Indoor Sensing for Air Quality Control and Ventilation Applications	Communication Strategies
3:55 PM	Break with Exhibitors			
4:45 PM	Plenary: Sensors in Smoke: Reducing Exposure to PM			
6:00 PM	Conclusion of Day			
6:15 PM	Industry Meeting	No Program	No Program	No Program
7:30 PM		No Program	No Program	No Program

DRAFT

Friday, May 13, 2022

Start Time	Room A	Room B	Room C	Room D
7:00 AM	No Program	No Program	No Program	No Program
8:05 AM	Plenary: How and why cities are using new sensor technologies: successes, challenges, and funding to achieve air quality goals			
9:20 AM	Break			
9:50 AM	Filling in the air quality data gap and enabling air quality management in LMICs using low-cost sensors	Performance targets for air quality sensors	Breathe London Panel & Mobile Monitoring Panel	Standard, Supplemental and Informational Monitoring
12:10 PM	Break with Exhibitors - includes appetizer style lunch			
12:50 PM	Exhibit Hall: Final Thank You & Raffle			
1:10 PM	Filling in the air quality data gap and enabling air quality management in LMICs using low-cost sensors	Innovative Sensor Technologies	Advanced measurement approaches for fence-line and fugitive monitoring applications	Youth-Focused Education and Youth-Lead Initiatives
3:30 PM	Conference Celebration			
4:30 PM	Community Meeting	No Program	No Program	No Program
6:00 PM	Venue Closed
