

Last Day for Early Bird Registration!

Today is the last day to submit registration at at the early bird price! With over 16 sessions to chose from on topics ranging from "Advanced measurement approaches for fenceline and fugitive monitoring applications" to "Innovative Sensor Technologies", this is not a conference to miss!

Conference registrations will increase as follows

General Registration: \$750
Government/Academic/Non-profit: \$400
Community Member: \$300
Student: \$100

Please note, there is no separate registration price for virtual registrants. Virtual and In-Person registrants pay the same registration fees.

If you are looking for additional discounts to registration, you can also sign up to volunteer at the conference [here](#).

Whether you're a professional looking to network and develop future projects, or your a community advocate learning about the latest air quality monitoring techniques, there will be a plethora of opportunities.
